

Insect-a-clear

Order Code:

FGT2SS – Vulcan 2 with shatter resistant lamps

This addition to the Insect-a-clear range is the most technologically advanced to date! Fully electronic, it ensures minimal power consumption, meaning maximum financial savings, when compared to similar conventional units.

The curvaceous, contemporary design and the stainless steel front-guard, together have produced a terrific machine. It is ideal for virtually any application (front of house or behind the scenes).

An IP65 version is also available. All machines are fitted with shatter resistant lamps.
